The whole DT department will follow the homework policy below.

Homework will be set fortnightly, tasks will relate to:

- Projects
- Revision
- Controlled Assessment.

General point:

Students are expected to hand in their Controlled Assessments on the dates specified by the Head of Department. Some students maybe required to complete work in addition to class work and standard homework to ensure that they meet the deadlines. The amount of work, therefore, may vary for each student.

Due to the fast changing nature of the maths course students will be specifically told which topics to revise by their teacher. If you or they are unsure of anything please ask your child to see Mr Payne or Miss Hunt.
